REAR-OF-CAB TANKS
280mm x 645mm - 70L to 105L Capacity

VERTICAL Series

VERTICAL Series tanks are manufactured using only high-quality raw materials combined with the latest technologies in robot welding and assembly. This results in a reliable product, sleek in appearance and suitable for a range of applications.

Available in aluminium or powder-coated steel, with bottom brackets for rear-of-cab mounting
- 115mm filter provision for tank-top return filter and/or direct valve mounting
- Quality filler breather with replaceable element
- Oil-level indicator
