SLIMLINE SIDE-MOUNT TANKS
85L to 115L Capacity

MONO Series

MONO Series tanks are manufactured using only high-quality raw materials combined with the latest technologies in robot welding and assembly. This results in a reliable product, sleek in appearance and suitable for a range of applications.

Available in aluminium or powder-coated steel, with single L-bracket for compact side mounting
- 115mm filter provision for tank-top return filter and/or direct valve mounting
- Quality filler breather with replaceable element
- Oil-level indicator
